

PureGI™

Go With Your Gut

Pure Encapsulations® is proud to introduce PureGI™ – products, clinical protocols, and educational resources backed by the latest in prebiotic, probiotic, and postbiotic microbiome science to support your patients' upper and lower GI function, from digestion to elimination.†

Developed in collaboration with integrative practitioner Daniel Kalish, D.C., PureGI™ was designed to support:

- ✓ GI Integrity†
- ✓ Microbial Balance†
- ✓ Digestion†
- ✓ Abdominal Comfort†

Daniel Kalish, D.C.†

Over the past 25 years, Daniel Kalish has been dedicated to teaching doctors functional medicine philosophy and practices. Through The Kalish Institute's educational programs, he has trained over 1,000 practitioners worldwide.
