## Exclusive Protocols by Pure

We offer a series of Pure Exclusives—unique to Pure Encapsulations®—that are developed in collaboration with our medical experts.

These Pure Exclusives include specially formulated products that focus on specific health needs, clinical protocols to support and guide patient care, and educational resources to support your practice.

<p><b>Immune Health</b></p>  <p><b>PureResponse</b> Dr. Sam Yanuck*</p>	<p><b>Gut Health</b></p>  <p><b>PureGI</b> Dr. Dan Kalish*</p>	<p><b>Weight Management</b></p>  <p><b>PureLean</b> Dr. Caroline Cedarquist*</p>	<p><b>Mental Health</b></p>  <p><b>PureSynapse</b> Dr. James Greenblatt*</p>	<p><b>Women's Health</b></p>  <p><b>PureWoman</b> Dr. Felice Gersh*</p>

## On-Demand Learning

Our website has all our education content compiled under [Education & Resources](#) and includes protocols, webinars on demand and other practitioner resources!

Check out our highest-rated webinars here!

### Case Study Synopsis: Is Genomics always the right answer?

Dr. Nathan Morris, M.D.\* guides you through his approach to patient care, which combines nutritional genomics with a strong foundation of functional medicine.

### From Methylation to Mitochondria: An Update on the Functions, Forms and Personalized Application of Vitamin B<sub>12</sub>

In this webinar, you will learn how to optimize vitamin B<sub>12</sub> based on individual needs and health goals.

Did you know we publish education content each month to our [YouTube channel](#)? Hit subscribe and the bell to be notified when we drop new content, including webinars, video series, and product information!

## Education Each Quarter, Delivered to Your Inbox

Sign up for our Education & Events Newsletter to stay in touch with Pure-sponsored activities over the next three months.

Consider this a “one stop shop” for building out your education calendar—directly register for webinars, read new publications, and learn of the exciting offerings from Pure and our key opinion leaders.
