Multivitamin Formulas

Today's diets are depleted of vitamins, minerals and other nutrients due to the decreasing quality of our food supply and busy lifestyles. Combining a healthy diet with one of Pure Encapsulations' comprehensive multivitamin formulas is the best approach to achieving optimal health and longevity.*

Pure Encapsulations is committed to producing the most complete line of science-based nutritional supplements. Available through health professionals, finished products are pure and hypo-allergenic to optimize the long-term health of the most sensitive patients.*

Unique Features:

- High potency formulas providing activated vitamins and superior mineral chelates for optimal absorption*
- Vegetarian, hypo-allergenic and well-tolerated by sensitive individuals*
- **Metafolin® L-5-MTHF**, the universally metabolized and biologically active form of folate, and **ChromeMate®**, the patented, clinically researched chromium picolinate*
- 27 specialized formulas to meet individual needs
- Preferred by thousands of health professionals in the U.S., Canada and Europe
