

# Coriolus extract

HOT WATER MUSHROOM EXTRACT TO PROMOTE WHITE BLOOD CELL NUMBER AND FUNCTION<sup>‡</sup>

PART OF THE PURERESPONSE™ PRODUCT LINE

Pure Encapsulations® Coriolus extract has been shown to support antibody production and cytokine balance, as well as healthy microflora balance. The main compounds believed to be responsible for these mechanisms of action are the polysaccharides, particularly the beta-glucan fraction.<sup>‡</sup>

- Offers turkey tail mushroom extract to support immune cell function<sup>‡</sup>
- Wild-crafted and certified organic
- Produced using a carefully controlled, unique hot water extraction process to concentrate the soluble beta-glucan fraction

Immune Health<sup>‡</sup>

Cell Function<sup>‡</sup>

Good for patients who need **white blood cell function** and **immune support**.<sup>‡</sup>

## Coriolus Versicolor

Coriolus versicolor, also known as turkey tail mushroom, is used in traditional Chinese medicine, primarily to enhance immune function and energy. Research indicates an immunomodulatory effect and promotion of white blood cell number and function, including lymphocyte, macrophage and NK cells.<sup>‡</sup>

## Supplement Facts

1 capsule, 1-2 times daily, between meals, or as directed by a healthcare professional.

**Serving size: 1 capsule**
