

NEW | IMMUNE SUPPORT‡

# Liposomal Vitamin C

INNOVATIVE FORMULA TO SUPPORT IMMUNE FUNCTION AND ANTIOXIDANT DEFENSE‡

Enhanced Absorption **Liposomal Vitamin C** is formulated with PureWay-C®, a clinically studied form of vitamin C that combines ascorbic acid with lipid metabolites and citrus bioflavonoids. This unique vitamin C includes small, structurally validated liposomes that are **highly stable** for optimal absorption across membranes.

Promotes healthy immune function‡

Supports cellular health‡

Provides antioxidant defense‡

Formulated for patients who are looking for **immune, antioxidant and cellular health support.**‡

## UNIQUE FEATURES

- Formulated for patients ages 9 and up
- Typical uptake of vitamin C requires carrier proteins to escort this nutrient across the intestinal membranes to reach the bloodstream. Liposomal Vitamin C provides an **enhanced-absorption** form that does not require a carrier system, allowing it to reach organs and tissues of the body with more ease.

## Supplement Facts

**2 capsules, 1-2 times daily, with or between meals.**

**Two (size 00) vegetarian capsules contain:**

Vitamin C (as Liposomal Pureway-C® ascorbic acid) 500 mg

Other ingredients: liposomal matrix (sunflower phospholipids, rice bran wax fatty acids, citrus bioflavonoids), hypoallergenic plant fiber (cellulose), vegetarian capsule (cellulose, water), ascorbyl palmitate

Liposomal Pureway-C® and the Liposomal Pureway-C® logo are trademarks of One Innovation Labs, L.L.C. in the U.S. and/or other countries.
