

FemiVive

For women seeking support for libido and sexual function[‡]

INDICATIONS

- For women seeking support for libido and sexual function[‡]

BENEFITS

- Enhances sexual satisfaction and pleasure[‡]
- Improves arousal, lubrication and orgasm[‡]
- Improves quality of sex[‡]

FEATURES

- With KSM-66 Ashwagandha[®], clinically shown to enhance physical and psychological aspects of female sexual response with continued use[‡]

VERIFIABLE SCIENCE

FemiVive provides KSM-66 ashwagandha[®], an Ayurvedic botanical clinically shown to enhance sexual arousal, lubrication, pleasure, orgasm, and satisfaction in women.^{1,2} In a randomized, placebo-controlled study involving 80 women between 18 and 50 years of age, KSM-66 Ashwagandha[®] (300mg twice daily) for 8 weeks resulted in significant improvement in Female Sexual Function Index (FSFI) mean total scores and sub-scales of desire, arousal, lubrication, orgasm, and sexual satisfaction compared to placebo.¹ In another randomized, placebo-controlled study involving 50 women between 21 and 50 years of age, KSM-66 Ashwagandha[®] (300mg twice daily) for 8 weeks also improved scores in the Female Sexual Function Index (FSFI) total and sub-domain scores for arousal, lubrication, orgasm and satisfaction.² The group receiving KSM-66 also exhibited a greater number of successful sexual encounters compared to the placebo group.² This formula also provides maca (*Lepidium meyenii*) root, also known as Peruvian ginseng, which is known for its adaptogenic properties.[‡]

SUGGESTED USE

As a dietary supplement, take 2 capsules, 1-2 times daily, between meals.

STORAGE

Store in a cool, dry place.

WARNING

Not to be taken by pregnant or lactating women. If have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Maca extract is derived from *Lepidium meyenii* tuber and standardized for glucosinolates
- Tribulus terrestris* extract is derived from the leaf and fruit and standardized for protodioscins
- Ashwagandha extract is derived from *Withania somnifera* root
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil
- Hypo-allergenic plant fiber is derived from pine cellulose

NOTES

Size 00 caps

Bottle count 120

Order code FMV1

Bottle size 275cc
