

# Collagen JS

Supports healthy skin and joints<sup>†</sup>

## INDICATIONS

- Ages 18 and up
- Joint health support<sup>†</sup>
- Support for skin health and appearance<sup>†</sup>

## BENEFITS

- Supports the composition, integrity and mobility of joints<sup>†</sup>
- Provides connective tissue support<sup>†</sup>
- Supports skin elasticity and firmness<sup>†</sup>
- May help modulate the appearance of fine lines and wrinkles<sup>†</sup>

## FEATURES

- Contains patented BioCell Collagen<sup>®</sup>
- Made with high-quality ingredients backed by verifiable science

## VERIFIABLE SCIENCE

This product contains BioCell Collagen<sup>®</sup>, a patented, hydrolyzed and denatured low molecular weight collagen. In addition to collagen, BioCell Collagen<sup>®</sup> provides the combined benefits of hyaluronic acid (HA), depolymerized low molecular weight chondroitin sulfate, glucosamine sulfate, and amino acids including lysine, proline and hydroxyproline.<sup>1</sup> These compounds promote cartilage synthesis and maintain healthy synovial fluid, supporting the composition, integrity and mobility of joints.<sup>2</sup> A double-blind, placebo-controlled study involving 16 individuals supplementing with BioCell Collagen<sup>®</sup> for 8-weeks, indicated statistically significant support for joint function and comfort.<sup>3</sup> In a peak absorption study, serum levels of HA increased gradually and with statistical significance after BioCell Collagen<sup>®</sup> supplementation, emphasizing the potential for this compound to provide important connective tissue support. The components of collagen also support the elasticity and firmness of skin.<sup>4</sup> Furthermore, HA attracts water, promoting hydration and moisture retention within the dermal matrix.<sup>5</sup> Case reports have suggested that BioCell Collagen<sup>®</sup> may help rejuvenate skin and modulate the appearance of fine lines and wrinkles.<sup>6†</sup>

## SUGGESTED USE

As a dietary supplement, take 2 capsules, 1-2 times daily, with meals and 8-10 oz water.

## STORAGE

Store in a cool, dry place.

## WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

## SOURCE

- BioCell Collagen<sup>®</sup> is derived from hydrolyzed chicken sternum collagen, and typically contains 60% hydrolyzed collagen, 20% chondroitin sulfate and 10% hyaluronic acid
- Vitamin C (ascorbyl palmitate) is derived from corn dextrose fermentation and palm oil

## NOTES

Size 00 caps

Bottle count 60/120

Order codes CJS6/CJS1

Bottle size 190 cc
