

# Curcumin 500 with BioPerine®

Supports joint, tissue, liver, colon and cellular health†

## INDICATIONS

- Ages 18 and up
- Joint health support†
- Cellular, liver and colon health support†

## BENEFITS

- Supports the body's natural detoxification system and helps maintain healthy hepatic function†
- Helps maintain healthy cell cycle function†
- Supports antioxidant defenses†

## FEATURES

- Contains Curcumin C3 Complex®, a patented composition of three Curcuminoids
- Includes BioPerine® for enhanced absorption
- Made with high-quality vegan ingredients backed by verifiable science

## VERIFIABLE SCIENCE

Curcumin has a long history of use for supporting healthy cyclooxygenase, prostaglandin and leukotriene metabolism.<sup>1</sup> It also appears to maintain healthy cell cycle function and antioxidant defenses.<sup>2</sup> Furthermore, it supports the body's natural detoxification system and helps maintain healthy hepatic function. These actions are associated with its beneficial effects, including support for healthy liver, colon, musculoskeletal and cellular health.<sup>3,4,5</sup> Curcumin C3 Complex® has been the subject of scientific investigations at a number of hospitals and universities. Studies indicate that curcumin maintains cellular health in various tissues, including the brain, where it maintains healthy immune cell activity. The gut microbiota and gut-brain axis may also play a part in mediating curcumin's brain health benefits.<sup>6-7</sup> BioPerine® is a black pepper extract that contains piperine, an alkaloid that enhances curcumin bioavailability.<sup>8†</sup>

## SUGGESTED USE

As a dietary supplement, take 1 capsule, 1-3 times daily, between meals.

## STORAGE

Store in a cool, dry place.

## WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

## SOURCE

- Turmeric extract is derived from *Curcuma longa* root and standardized to contain 95% curcuminoids
- BioPerine® extract is derived from *Piper nigrum* fruit and standardized to contain 95% piperine
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil

## NOTES

Size 00 caps

Bottle count 60, 120

Order code CUB56, CUB51

Bottle size 190 cc, 290 cc
