

Digestive Enzyme chewables

Chewable enzyme blend to support protein, carbohydrate, fiber and dairy digestion[†]

INDICATIONS

- Ages 4 and up

BENEFITS

- Promotes protein digestion and GI comfort[†]
- Supports the breakdown of fat, starch, and the dairy sugar lactose[†]
- Helps reduce occasional bloating or gas[†]
- Enhances nutrient bioavailability of fiber-containing foods[†]

FEATURES

- Great-tasting chewable tablet
- Contains a range of vegetarian-derived digestive enzymes

VERIFIABLE SCIENCE

Digestive Enzymes chewable contains a blend of vegetarian digestive enzymes. Protease facilitates the normal breakdown of proteins and di- and tri-peptides.¹ Lipase promotes lipid (fat) breakdown. Amylase stimulates polysaccharide breakdown of starch, while lactase supports the digestion of the dairy sugar lactose.² Cellulase acts to break down cell wall components, promoting nutrient bioavailability of fiber-containing foods.^{3†}

SUGGESTED USE

As a dietary supplement, chew 1 tablet with each meal, 1-3 times daily, or as recommended by a health professional.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Enzymes are derived from microbial fermentation.
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil.
- Maltodextrin and mannitol are from corn.
- Xylitol is derived from wood pulp.

NOTES

Bottle count 100

Order code DGC1

Bottle size 190 cc
