

Probiotic 123

Shelf-stable; Powder probiotic support for healthy intestinal microflora†

INDICATIONS

- Ages 1 and up
- Gastrointestinal health and comfort†
- Immune system support†

BENEFITS

- Promotes intestinal comfort and health by enhancing intestinal microflora†
- Moderates mild, occasional diarrhea†
- Supports the mucosal lining of the G.I. tract and healthy G.I. barrier†

FEATURES

- Promotes intestinal comfort and health by enhancing intestinal microflora†
- Dairy and soy-free blend of probiotics
- Convenient powder formula
- Made with high-quality, vegetarian ingredients backed by verifiable science

VERIFIABLE SCIENCE

Mixed probiotic supplementation helps support healthy microflora balance, promoting the mucosal lining of the G.I. tract and helping to maintain G.I. barrier function.¹ Studies in children indicate support for intestinal comfort and occasional diarrhea.^{2,3} Research indicates that probiotics support immune health, promoting immune defense and respiratory health. *Lactobacillus rhamnosus* GG is a highly characterized probiotic strain, identified for its resistance to gastric acidity, adhesion properties and ability to support healthy gut microflora. In a study involving children ages 1-7 attending day care, *L. rhamnosus* GG offered statistically significant support for respiratory health.^{4,5,6†}

SUGGESTED USE

Ages 1 to 3, take 1/2 scoop daily. Ages 4 and up, take 1 scoop daily, or as directed by a health professional. Mix with applesauce or yogurt.

STORAGE

Store in a cool, dry place.

WARNING

Probiotics may be contraindicated for immunocompromised individuals. If you are pregnant or lactating, have any health condition or are

immunocompromised, or are taking any medication, consult your health professional before use.

SOURCE

- *Lactobacillus acidophilus* (La-14), *Lactobacillus rhamnosus* GG, *Bifidobacterium bifidum* (Bb-06), and *Bifidobacterium lactis* (Bl-04) are of human origin and grown on a dairy-free and soy-free medium
- Hypoallergenic plant fiber (cellulose) from pine

NOTES

One 1 cc scoop approximately 0.37 g

Bottle size 4 oz

Servings per container approximately 162

Order code PRO26

Dairy-free

Soy-free
