

# O.N.E.™ Omega

1,000 mg triglyceride-form EPA and DHA per softgel; eco-friendly supercritical CO<sub>2</sub> extracted fish oil for daily wellness<sup>‡</sup>

## INDICATIONS

- Ages 18 and up
- Joint health and function support<sup>‡</sup>
- Cardiovascular health support<sup>‡</sup>

## BENEFITS

- Supports healthy inflammatory response<sup>‡\*</sup>
- Supports the natural resolution of the inflammatory process<sup>‡\*</sup>
- Supports joint and connective tissue integrity<sup>‡</sup>
- Promotes cardiovascular health<sup>‡</sup>

## FEATURES

- 1,000 mg of triglyceride-form EPA/DHA in each softgel, twice the potency of other fish oils
- Supercritical CO<sub>2</sub>-extracted omega-3 fatty acid support<sup>‡</sup>
- Low temperature, oxygen-free processing prevents oxidation reactions
- Each batch of fish oils tested for environmental contaminants, oxidation and rancidity, and microbial contamination

## VERIFIABLE SCIENCE

Contains fish oil produced through a unique solvent-free, supercritical, CO<sub>2</sub>-based extraction method. This method utilizes a low-temperature, oxygen-free process to prevent oxidation reactions, resulting in a pure, concentrated fish oil. EPA and DHA from fish oil encourages cardiovascular health by supporting lipid metabolism and healthy blood flow.<sup>1-3</sup> In addition, studies indicate these oils help maintain healthy endothelial function.<sup>4</sup> Fish oil also promotes optimal joint function and comfort.<sup>5,6</sup> It moderates prostaglandin and leukotriene production, supporting healthy connective tissue. Research suggests that omega-3 fatty acids may also play a role in maintaining gastrointestinal cell health by supporting healthy eicosanoid production.<sup>7‡</sup>

## SUGGESTED USE

As a dietary supplement, take 1 capsule daily, with a meal.

## STORAGE

Store in a cool, dry place.

## WARNING

Not to be taken by pregnant or lactating women. If you have any health condition or are taking any medication, consult your health professional before use.

## SOURCE

- Each O.N.E.™ Omega softgel contains fish oil produced through a unique, solvent-free, supercritical CO<sub>2</sub>-extraction method. This method utilizes a low-temperature, oxygen-free processing method to prevent oxidation reactions resulting in a highly pure concentrated fish oil. This process produces 75% less carbon emissions than other methods of fatty acid extraction and purification
- Natural tocopherols are derived from purified soybean oil

## NOTES

Size 22 softgel

Bottle count 30/60

Order code ONO3/ONO6

Bottle size 120 cc, 190 cc

# O.N.E.™ Omega

1,000 mg triglyceride-form EPA and DHA per softgel; eco-friendly supercritical CO2 extracted fish oil for daily wellness†

## SUPPLEMENT FACTS

1 capsule daily, with a meal.

Each (size 22) softgel capsule contains:

Calories	10
Total fat	1 g
Fish oil concentrate	1,250 mg
<small>(from anchovies, jack, herring, smelt, salmon, mackerel, squid)</small>	
Providing:	
EPA (eicosapentaenoic acid)	600 mg
DHA (docosahexaenoic acid)	400 mg

Other ingredients: gelatin capsule (gelatin, glycerin, water), natural mixed tocopherols

Contains fish (anchovies, jack, herring, smelt, salmon, mackerel, squid)

O.N.E.™ Omega	Quantity	Order Code
	60	ON06
	30	ON03
