

Probiotic 50B

Acid resistant capsules with pH targeted release; High-potency probiotic support for healthy intestinal microflora[†]

INDICATIONS

Ages 4 and up

BENEFITS

- Supports healthy intestinal microflora to promote digestive and immune health[†]

FEATURES

- High-potency probiotic provides 50 billion CFU of a combination of beneficial bacteria
- Offered in acid-resistant capsules with pH targeted release to deliver maximal viable organisms to the digestive tract

VERIFIABLE SCIENCE

Probiotic 50B offers seven researched probiotic strains that promote healthy intestinal ecology to support gastrointestinal and immune health. Clinical studies indicate that Lactobacilli and Bifidobacteria supplementation supports intestinal epithelial integrity and a healthy immune response.¹⁻³ *Lactobacillus rhamnosus* GG is one of the most characterized and utilized probiotic strains with numerous clinical trials on immune, GI, and overall health across all ages.^{4-6†}

SUGGESTED USE

As a dietary supplement, take 1 capsule daily, with or between meals.

STORAGE

Keep refrigerated.

WARNING

Probiotics may be contraindicated for immunocompromised individuals. If you are pregnant or lactating, have any health condition or are immunocompromised, or are taking any medication, consult your health professional before use.
