

PureCell

Supports cell and tissue health[†]

INDICATIONS

- Ages 18 and up
- Cell and tissue health[†]
- Antioxidant support[†]

BENEFITS

- Maintains cell function and healthy tissue[†]
- Supports immune health[†]

FEATURES

- Advanced antioxidant and adaptogenic cellular health formula[†]
- Made with high-quality ingredients backed by verifiable science

VERIFIABLE SCIENCE

This formula offers antioxidants and adaptogens to maintain cell health and protect healthy tissue. Antioxidant vitamins and minerals promote healthy cell function and cell longevity, as indicated in numerous trials. Adaptogens are recognized for their balancing effects on physiology, encouraging cellular homeostasis. Alpha lipoic acid offers intracellular as well as extracellular antioxidant protection.¹ Coenzyme Q₁₀ moderates superoxide anion, hydrogen peroxide and hydroxyl radicals, maintaining the integrity of cellular membranes.² N-acetyl-L-cysteine and selenium help to replenish glutathione, scavenge free radicals and maintain healthy liver function.^{3,4} Curcumin supports healthy cyclooxygenase enzyme activity.⁶ Vitamin D and green tea have been studied for their potential to maintain healthy angiogenesis balance and cellular growth and differentiation.⁶ Astragalus supports macrophage, natural killer cell and T-cell activity.⁷ Ashwagandha and Panax ginseng promote healthy cell signaling and gene expression.^{8†}

SUGGESTED USE

As a dietary supplement, take 2 capsules, 1-2 times daily, with meals.

STORAGE

Store in a cool, dry place.

WARNING

Not to be taken by pregnant or lactating women. Take with food. If you have liver problems, any other health condition, or are taking any medication, consult your health professional before use.

SOURCE

- Vitamin D₃ is derived from lanolin
- Coenzyme Q₁₀ is derived from fermentation
- Alpha lipoic acid and N-acetyl-L-cysteine (NAC) are synthetic
- Ashwagandha extract is derived from *Withania somnifera* root and standardized to contain 2.5% withanolides
- Turmeric extract is derived from *Curcuma longa* root and standardized to contain 95% curcuminoids
- Panax ginseng extract is derived from the root and standardized to contain 27% ginsenosides
- Decaffeinated green tea is derived from *Camellia sinensis* leaves and standardized to contain 70% epigallocatechin gallate (EGCG)
- *Astragalus membranaceus* extract is derived from the root
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil
- Hypo-allergenic plant fiber is derived from pine cellulose

NOTES

Size 0 caps

Bottle count 120

Order code PCE1

Bottle size 290 cc

SUPPLEMENT FACTS

2 capsules, 1-2 times daily, with meals.

Two (size 0) vegetarian capsules contain:

Vitamin D (as cholecalciferol) (D ₃)	10 mcg (400 IU)
Selenium (as selenomethionine)	100 mcg
Coenzyme Q ₁₀	100 mg
N-Acetyl-L-cysteine (free-form)	100 mg
Alpha lipoic acid (thioctic acid)	75 mg
Ashwagandha (<i>Withania somnifera</i>) extract (root) (standardized to contain 2.5% withanolides)	180 mg
Turmeric (<i>Curcuma longa</i>) extract (root) (standardized to contain 95% curcuminoids)	150 mg
Asian ginseng (<i>Panax ginseng</i>) extract (root) (standardized to contain 5% ginsenosides)	150 mg
Green tea (<i>Camellia sinensis</i>) extract (leaf) (decaffeinated) (standardized to contain 90% total tea catechins and 70% epigallocatechin gallate (EGCG))	100 mg
Astragalus (<i>Astragalus membranaceus</i>) extract (root)	87 mg
Other ingredients: vegetarian capsule (cellulose, water), hypoallergenic plant fiber (cellulose), ascorbyl palmitate
