

ResCu-SR®

Highly bioavailable, sustained-release resveratrol and curcumin; supports cardiovascular and neurological health; supports healthy aging[†]

INDICATIONS

- Ages 18 and up
- Cellular health and longevity support[†]
- Cardiovascular and neurological support[†]

BENEFITS

- Supports cellular health and healthy aging[†]
- Promotes cardiovascular and neurological health[†]

FEATURES

- Combines highly bioavailable resveratrol and curcumin with sustained-release delivery technology
- Clinically studied
- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

Resveratrol and curcumin support healthy aging, cardiovascular and neurological health. Recent studies have demonstrated antioxidant synergy and convergent mechanisms.^{1,2} The MicroActive® technology is a patented delivery system that improves solubility, reduces particle size, improves absorption and provides sustained-release of polyphenols. In a human pilot study, peak plasma resveratrol and area under the curve (AUC) values were 250% greater with MicroActive® Resveratrol compared to an equivalent dose of 98% pure resveratrol. In a separate human trial, peak plasma curcumin levels were 4- to 60-fold greater with MicroActive® Curcumin compared to an equivalent dose of a standard 95% curcumin preparation. Superior plasma concentrations remained after a 9-hour period.[†]

SUGGESTED USE

As a dietary supplement, take 1 capsule daily, with a meal, or as directed by a health professional.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Resveratrol is synthetic
- Curcuminoids are derived from *Curcuma longa* (turmeric) extract (root)

NOTES

Size 00 caps

Bottle count 60

Order code RCSR6

Bottle size 190 cc

SUPPLEMENT FACTS

1 capsule daily, with a meal, or as directed by a health professional.

Each (size 00) vegetarian capsule contains:

Trans-resveratrol	100 mg
(from MicroActive® resveratrol sustained-release complex)	
Curcuminoids (from MicroActive® turmeric (<i>Curcuma longa</i>) extract (root) sustained-release complex)	50 mg

Other ingredients: vegetarian capsule (cellulose, water), hypoallergenic plant fiber (cellulose), carnauba wax, potato starch, polyglycerol fatty acid esters, silica, medium chain triglycerides, sodium alginate
