

Boswellia AKBA

With 5-LOXIN[®]; support for musculoskeletal, gastrointestinal and immune health[†]

INDICATIONS

- Ages 18 and up
- Joint motility and comfort support[†]
- Immune system and gastrointestinal health[†]

BENEFITS

- Supports joint motility and comfort, in part by promoting a healthy immune response[†]
- May moderate MMP (collagenase) activity, maintaining connective tissue integrity[†]
- Helps support gastrointestinal health[†]
- Promotes healthy cell signaling and cell cycle function[†]

FEATURES

- Contains 5-LOXIN[®], a patent-pending boswellia extract providing ten times as much AKBA as typical boswellia extracts.
- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

AKBA (3-acetyl-11-keto-beta-boswellic acid) is a major bioactive triterpenoid found in boswellia extracts. 5-LOXIN[®] is a patent-pending boswellia extract providing ten times as much AKBA as typical boswellia extracts.¹ In studies, 5-LOXIN[®] has demonstrated the potential to support joint motility and comfort, in part by promoting a healthy immune response.^{2,3} It may also play a role in maintaining healthy matrix metalloproteinase (MMP) activity, supporting connective tissue structural composition.⁴ A randomized, double-blind study involving 102 individuals revealed that AKBA supports gastrointestinal health.⁵ AKBA may provide gastrointestinal support by maintaining healthy lipid signaling in the epithelial lining of the digestive tract.^{6,7†}

SUGGESTED USE

As a dietary supplement, take 1 capsule daily, with a meal.

STORAGE

Store in a cool, dry place.

WARNING

Not to be taken by pregnant or lactating women. If you have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- 5-LOXIN[®] Boswellia serrata extract is a patent-pending extract providing ten times as much AKBA as typical boswellia extracts. The extract is derived from the gum resin of the *boswellia serrata* plant, commonly known as frankincense. It is standardized to contain 30% AKBA (3-acetyl-11-keto-beta-boswellic acid)
- Vitamin C (ascorbyl palmitate) is derived from corn dextrose fermentation and palm oil
- Hypo-allergenic plant fiber is derived from pine cellulose

NOTES

Size 0 caps

Bottle count 60/120

Order codes BWA6/BWA1

Bottle size 120 cc/190cc

Boswellia AKBA

With 5-LOXIN[®]; support for musculoskeletal, gastrointestinal and immune health[†]

SUPPLEMENT FACTS

1 capsule daily, with a meal.

Each (size 0) vegetarian capsule contains:

5-LOXIN[®] Boswellia serrata extract Indian
 Frankincense (Boswellia serrata) extract (gum resin) 100 mg
 (standardized to contain 30%
 3-acetyl-11-keto-beta-boswellic acid (AKBA))

Other ingredients: hypoallergenic plant fiber (cellulose), vegetarian capsule (cellulose, water), ascorbyl palmitate

5-LOXIN[®] is a registered trademark of PL Thomas – Laila Nutra, LLC and is used under license. International Patents Pending.

Not to be taken by pregnant or lactating women.
