

Digestion GB

Digestive enzymes to support lipid digestion[†]

INDICATIONS

- Ages 18 and up
- Lipid (fat) digestion support[†]

BENEFITS

- Promotes healthy digestive function[†]
- Support for fat digestion[†]
- Supports healthy gall bladder function[†]

FEATURES

- Offers a unique mix of digestive enzymes, bile salts, taurine and herbal extracts
- Part of the PureGI™ product line
- Made with high-quality ingredients backed by verifiable science

VERIFIABLE SCIENCE

Digestion GB contains digestive enzymes, bile salts, taurine and herbal extracts to promote healthy gallbladder function and fat digestion. The metabolism of fats involves emulsification and digestion in a complex process that requires healthy liver, gallbladder and pancreatic function.¹ Milk thistle, curcumin and taurine promote liver and gallbladder health and stimulate production and secretion of bile acids.^{2,3,4} Bile acids, provided in the form of ox bile salts, support the emulsification of fats necessary for digestion.⁵ The digestive enzymes included in this formula are active in a broad pH range to support fat, carbohydrate and protein digestion to complement pancreatic enzyme activity. This formula has enhanced lipase for extra fat digestion support.^{6†}

SUGGESTED USE

As a dietary supplement, take 2 capsules, with each meal, or as directed by a health professional.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Lipase, protease and amylase are derived from microbial fermentation
- Ox bile extract is bovine derived and standardized to contain 45-65% total cholic acids
- Taurine is synthetic
- Milk thistle extract is derived from *Silybum marianum* fruit and standardized to contain 80% silymarin
- Turmeric extract is derived from *Curcuma longa* root and standardized to contain 95% curcuminoids
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil
- Hypoallergenic plant fiber is derived from pine cellulose

NOTES

Size 0 caps

Bottle counts 90, 180

Order codes DGB9, DGB1

Bottle sizes 190 cc, 20 oz

Digestion GB

Digestive enzymes to support lipid digestion[†]

SUPPLEMENT FACTS

2 capsules, with each meal, or as directed by a health professional.

Two (size 0) vegetarian capsules contain:

Proprietary enzyme blend	160 mg
Providing:	
Protease	16,000 HUT
Lipase	6,000 FIP
Amylase	600 DU
Ox bile powder (bovine)	225 mg
Taurine (free-form)	250 mg
Milk thistle (<i>Silybum marianum</i>) extract (seed) (standardized to contain 80% silymarin)	150 mg
Turmeric (<i>Curcuma longa</i>) extract (root) (standardized to contain 95% curcuminoids)	100 mg

Other ingredients: vegetarian capsule (cellulose, water), hypoallergenic plant fiber (cellulose), ascorbyl palmitate

Digestion GB	Quantity	Order Code
	180	DGB1
	90	DGB9
