

GlucoFunction[†]

Comprehensive support for healthy glucose metabolism[†]

INDICATIONS

- Ages 18 and up
- Healthy glucose metabolism support[†]

BENEFITS

- Supports healthy glucose metabolism[†]
- May promote healthy lipid metabolism and blood flow[†]
- Provides support for healthy mitochondrial function[†]

FEATURES

- Blend of key nutrients, antioxidants and herbal extracts in one dietary supplement
- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

Minerals including chromium, magnesium and zinc are associated with healthy glucose metabolism and may be synergistic with biotin.^{1,2,3,4} *Bisglycinato oxo vanadium* is a bioavailable organic complex of glycine and vanadium. Research indicates that vanadium promotes healthy glucose metabolism by supporting healthy liver and skeletal muscle function.⁵ Numerous studies indicate that the water-soluble polyphenol polymers found in CinSulin[®] cinnamon extract promote healthy glucose function, lipid metabolism and blood flow.^{6,7} *Momordica charantia*, or bitter melon, and *Gymnema sylvestre* provide traditional support for healthy pancreas and glucose function.^{8,9} Vitamin C maintains healthy red blood cell sorbitol levels.¹⁰ Alpha lipoic acid supports healthy glucose metabolism by promoting healthy mitochondrial function.^{11,12[†]}

SUGGESTED USE

As a dietary supplement, take 1 capsule, 3 times daily, before meals.

STORAGE

Store in a cool, dry place.

WARNING

Not to be taken by pregnant or lactating women. If you have any health condition or are taking any

medication, consult your health professional before use.

SOURCE

- Magnesium, zinc, vanadium and chromium are derived from earthen ore
- Citrate is derived from corn dextrose fermentation
- Glycine, alpha lipoic acid (thioctic acid) and biotin are synthetic
- Bitter melon extract is derived from *Momordica charantia* fruit and standardized to typically contain 0.5% charantin
- Cinnamon extract (10-15:1) is derived from *Cinnamomum cassia* bark
- *Gymnema sylvestre* extract is derived from the leaf
- Ascorbic acid is derived from corn dextrose fermentation

NOTES

Size 00 caps

Bottle counts 90, 180

Order codes GF9, GF1

Bottle sizes 290 cc, 20 oz

SUPPLEMENT FACTS

1 capsule, 3 times daily, before meals.

Each (size 00) vegetarian capsule contains:

Vitamin C (as ascorbic acid)	66 mg
Biotin	2,000 mcg
Magnesium (as magnesium citrate)	50 mg
Zinc (as zinc citrate)	5 mg
Chromium (as chromium polynicotinate)	133 mcg
Vanadium (as bis-glycinato oxo vanadium (BGOV))	500 mcg
Alpha lipoic acid (thioctic acid)	100 mg
Cinnamon (<i>Cinnamomum cassia</i>) extract (dried bark)	83 mg
Gymnema (<i>Gymnema sylvestre</i>) extract (leaf)	50 mg
Bitter melon (<i>Momordica charantia</i>) extract (fruit)	75 mg
Other ingredients: vegetarian capsule (cellulose, water)	

ChromeMate[®] brand niacin-bound chromium. ChromeMate[®] & logo are trademarks of Lonza or its affiliates.

CinSulin[®] is a registered trademark of Beijing Tang-An Nutrition & Healthcare Products Co., Ltd.

Not to be taken by pregnant or lactating women.
