

Glucose Support Formula[†]

Supports healthy glucose metabolism[†]

INDICATIONS

- Ages 18 and up
- Glucose metabolism support[†]

BENEFITS

- Promotes glucose homeostasis[†]
- Supports the insulin producing-cells of the pancreas[†]
- Provides antioxidant support[†]

FEATURES

- Offers *Gymnema sylvestre*, an herb used for over 2,000 years in India
- Made with high-quality ingredients backed by verifiable science

VERIFIABLE SCIENCE

This formula provides a combination of botanicals and bioactives that support glucose homeostasis. The leaves of *Gymnema sylvestre*, which have been used for over 2,000 years in India, support the function of insulin-producing cells of the pancreas.¹ Alpha lipoic acid is a versatile antioxidant that also supports healthy glucose metabolism.² *Panax ginseng* and *Eleutherococcus senticosus* (also known as eleuthero) are adaptogens that have been shown to promote healthy glucose balance.^{3,4} Research has indicated that maitake mushroom extract has a potential role in healthy glucose utilization.⁵ Chromium is an essential mineral that plays an important role in glucose and lipid metabolism.^{6†}

SUGGESTED USE

As a dietary supplement, take 1 capsule daily, with a meal, or as directed by a health professional.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Maitake extract is derived from *Grifola frondosa* whole plant body
- *Panax ginseng* extract is derived from the root and standardized to contain 5% ginsenosides
- *Eleutherococcus senticosus* extract is derived from the root and standardized to contain 0.8% eleutherosides
- *Gymnema sylvestre* extract is derived from the leaf
- Alpha lipoic acid (thioctic acid) and polynicotinate are synthetic

NOTES

Size 00 caps

Bottle counts 60, 120

Order codes GSF6, GSF1

Bottle sizes 190 c, 290 cc

Glucose Support Formula[†]

Supports healthy glucose metabolism[†]

SUPPLEMENT FACTS

1 capsule daily, with a meal, or as directed by a health professional.

Each (size 00) vegetarian capsule contains:

Chromium (as chromium polynicotinate)	200 mcg
Gymnema (Gymnema sylvestre) extract (leaf)	75 mg
Asian ginseng (Panax ginseng) extract (root) (standardized to contain 5% ginsenosides)	100 mg
Eleuthero (Eleutherococcus senticosus) extract (root) (standardized to contain 0.8% eleutherosides)	100 mg
Alpha lipoic acid (thioctic acid)	100 mg
Maitake mushroom (Grifola frondosa) extract (fruiting body)	200 mg
Other ingredients: vegetarian capsule (cellulose, water)	

ChromeMate[®] brand niacin-bound chromium. ChromeMate[®] & logo are trademarks of Lonza or its affiliates.
