

Green Tea extract (decaffeinated)

Supports neurocognitive, cardiovascular and cellular health[†]

INDICATIONS

- Ages 18 and up
- Cellular health support[†]
- Antioxidant protection[†]

BENEFITS

- Provides optimal cellular function and antioxidant protection[†]
- Supports prostate, colon, lung and bladder health[†]

FEATURES

- Standardized to provide a minimum of 70% epigallocatechin gallate
- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

This decaffeinated green tea extract is an herbal extract containing catechins, a class of antioxidant compounds known as polyphenols. It contains a minimum of 90% catechins, with EGCG making up a minimum of 70% of the content. These compounds are largely responsible for the health benefits of green tea.^{2-4†}

SUGGESTED USE

As a dietary supplement, take 1 capsule, 1-4 times daily, with meals.

STORAGE

Store in a cool, dry place.

WARNING

Take with food. If you have liver problems, consult your health professional before use. If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Green tea extract is derived from *Camellia sinensis* leaves and standardized to contain a minimum of 90% total tea catechins, providing a minimum of 70% epigallocatechin gallate (EGCG)

- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil. Hypo-allergenic plant fiber is derived from pine cellulose

NOTES

Size 3 caps

Bottle counts 60, 120

Order codes GT6, GT1

Bottle sizes 75 cc, 120 cc
