

# M/R/S Mushroom Formula

Supports immune function<sup>†</sup>

## INDICATIONS

- Ages 18 and up
- Immune function and overall health support<sup>†</sup>

## BENEFITS

- Promotes immune system health<sup>†</sup>
- Supports broad-spectrum physiological support<sup>†</sup>
- Provides support for liver, cardiovascular, healthy glucose metabolism and cellular health<sup>†</sup>

## FEATURES

- Offers a dynamic combination of maitake, reishi and shiitake mushroom
- Made with high-quality vegan ingredients backed by verifiable science

## VERIFIABLE SCIENCE

There are over 20,000 different mushroom species, at least 50 of which have been determined to influence immune responses. The common attribute consistent among these species appears to be the polysaccharides, constituents shown to achieve additional immune system support. Polysaccharides from maitake, reishi and shiitake are believed to be among the most nutritionally supportive for healthy immune function.<sup>1,2,3</sup> Wide-ranging health properties of mushroom supplementation include liver, cardiovascular, healthy glucose metabolism and cellular health support.<sup>4†</sup>

## SUGGESTED USE

As a dietary supplement, take 1 capsule daily, with a meal, or as directed by a health professional.

## STORAGE

Store in a cool, dry place.

## WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

## SOURCE

- Shiitake mushroom extract is derived from *Lentinus edodes* whole plant body
- Reishi mushroom extract is derived from *Ganoderma lucidum* whole plant body
- Maitake mushroom extract is derived from *Grifola frondosa* whole plant body
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil

## NOTES

Size 00 caps

Bottle count 120

Order code MRS1

Bottle size 290 cc
