

Pancreatic Enzyme Formula

Acid-resistant capsules; supports digestive function[†]

INDICATIONS

- Ages 18 and up
- Digestive function support with optimized delivery system[†]

BENEFITS

- Supports the body's natural digestive process[†]
- Contains lipases (digest fat), proteases (digest protein) and amylases (digest starch)[†]
- Provides optimal benefit with acid-resistant capsules, which allow maximized delivery of enzymes to the G.I. tract[†]

FEATURES

- Offers acid-resistant capsules with pH-targeted release
- Made with high-quality ingredients backed by verifiable science

VERIFIABLE SCIENCE

This formula is designed to aid the body's natural digestive process. It provides a highly concentrated form of enzymes naturally secreted by the pancreas, which are essential to the digestion of food and absorption of nutrients. The formula contains lipases, which digest fat; proteases, which digest protein; and amylases, which digest starch.^{1,2,3} This formula is offered in acid-resistant capsules to maximize delivery to the G.I. tract.[†]

SUGGESTED USE

As a dietary supplement, take 1 capsule, 3 times daily, with each meal, or as directed by a health professional.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Pancreatin is a full-strength, undiluted porcine extract, containing digestive enzymes lipase, protease and amylase in their natural ranges
- Gellan gum is derived from *Pseudomonas elodea*

NOTES

Size 00 caps

Bottle count 60, 180

Order codes PE6, PE1

Bottle sizes 190 cc, 20 oz
