

Peptic-Care[†] (Zinc-L-Carnosine)

Supports gastric health and comfort[†]

INDICATIONS

- Ages 18 and up
- Overall gastric health and comfort support[†]

BENEFITS

- Provides antioxidant support for the G.I. tract[†]
- Patented, 1:1 chelate of zinc and l-carnosine provides synergistic G.I. mucosal protection[†]
- Supports the stomach's mucosal defenses, buffers gastric acid and maintains healthy cytokine release[†]

FEATURES

- Patented 1:1 chelate of zinc and l-carnosine
- Part of the PureGI™ product line
- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

This patented, 1:1 chelate of zinc and l-carnosine provides a unique configuration that accounts for this compound's unique functions in the G.I. tract. Zinc-carnosine has a slow disassociation rate and adheres to the stomach lining, allowing for prolonged protection.¹ Once dissociated, zinc and carnosine provide synergistic antioxidant protection, support the stomach's mucosal defenses, buffer gastric acid and maintain healthy cytokine release.² Studies suggest that this combination is more effective in maintaining the integrity of the gastric lining than either ingredient alone.³ One Japanese multi-center, double-blind study involving 299 subjects reported improvements in objective and subjective parameters of normal gastric health and repair, especially after 8 weeks of daily supplementation.⁴ Seven additional clinical evaluations involving over 550 volunteers reported similar results. In vitro and in vivo studies show that zinc-carnosine supports cellular repair in the intestine by maintaining healthy cell reproduction and villous function.⁵ In a double-blind, randomized, crossover trial, zinc-carnosine maintained healthy gut barrier function.⁶ Extensively studied and utilized in Japan, this zinc-carnosine combination has an excellent safety profile.[†]

SUGGESTED USE

As a dietary supplement, take 1 capsule, 1-2 times daily, with meals.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Zinc is derived from earthen ore
- l-Carnosine is synthetic
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil
- Hypoallergenic plant fiber is derived from pine cellulose

NOTES

Size 3 caps

Bottle count 60

Order code PCZ6

Bottle size 75 cc

Peptic-Care[†] (Zinc-L-Carnosine)

Supports gastric health and comfort[†]

SUPPLEMENT FACTS

1 capsule, 1-2 times daily, with meals.

Each (size 3) vegetarian capsule contains:

Zinc (from 75 mg zinc-l-carnosine complex) 16 mg

Carnosine (from 75 mg zinc-l-carnosine complex) 58 mg

Other ingredients: hypoallergenic plant fiber (cellulose), vegetarian capsule (cellulose, water), ascorbyl palmitate
