

PureProbiotic™

Allergen-free formula; probiotic support for healthy intestinal microflora[‡]

INDICATIONS

- Ages 18 and up
- Healthy intestinal microflora support[‡]
- Allergen-free[‡]

BENEFITS

- Promote healthy microflora balance, G.I. integrity and bowel regularity[‡]
- Supports healthy immune cell function[‡]
- Suitable for individuals with food allergies or sensitivities

FEATURES

- Blend of beneficial probiotic microorganisms derived from fermentation on a dairy-free, soy-free medium
- Made with high-quality ingredients backed by verifiable science

VERIFIABLE SCIENCE

PureProbiotic™ (allergen-free) contains a blend of beneficial probiotic microorganisms derived from fermentation on a dairy-free, soy-free medium to ensure tolerability in individuals with food allergies or sensitivities. Each capsule provides 5 billion CFU per capsule of *Lactobacillus acidophilus*, *Lactobacillus plantarum*, *Lactobacillus rhamnosus*, *Bifidobacterium bifidum*, *Bifidobacterium lactis* and *Bifidobacterium breve* to support immune and gastrointestinal health in children and adults. Research indicates that these strains promote healthy microflora balance, G.I. integrity and immune cell function.¹⁻⁴ A randomized double-blind placebo-controlled trial of 465 participants found that BI-04 supplementation maintained respiratory and gastrointestinal immune health in physically active individuals.^{5‡}

SUGGESTED USE

As a dietary supplement, take 1 capsule, 1-2 times daily, with or between meals. Powder may be removed from capsule and mixed into cold food or beverage.

STORAGE

KEEP REFRIGERATED.

WARNING

Probiotics may be contraindicated for immunocompromised individuals. If you are pregnant or lactating, have any health condition or are immunocompromised, or are taking any medication, consult your health professional before use.

SOURCE

- *Lactobacillus acidophilus* (La-14 strain), *Lactobacillus plantarum* (Lp-115 strain), *Lactobacillus rhamnosus* (Lr-32 strain), *Bifidobacterium bifidum* (Bb-06 strain), *Bifidobacterium lactis* (Bb-04 strain), *Bifidobacterium breve* (Bb-03 strain) are grown on a proprietary dairy-free and soy-free medium
- Hypoallergenic plant fiber (cellulose) is derived from pine

NOTES

Size 3 caps

Bottle count 60

Order code PPA6

Bottle size 75 cc
