

Pycnogenol®

Supports cognitive function and cardiovascular health[†]

INDICATIONS

- Ages 18 and up
- Vascular health support[†]

BENEFITS

- Promotes vascular health and integrity[†]
- Provides antioxidant support[†]
- Supports nitric oxide production and endothelial function[†]

FEATURES

- Proanthocyanidins standardized to a minimum of 65-75%
- Small, easy-to-swallow capsules
- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

“Pycnogenol” originally denoted all proanthocyanidin extracts, regardless of source. However, it now refers specifically to maritime pine bark, which contains a unique mixture of proanthocyanidins and other polyphenols. Pycnogenol® supports vascular endothelial function by promoting the synthesis of nitric oxide. Pycnogenol® also has antioxidant effects and helps to stabilize collagenous membranes.^{1,2} In addition to facilitating vitamin C regeneration and preserving vitamin E, Pycnogenol® is a potent hydroxyl and superoxide radical scavenger. Collectively, these actions promote the health of blood vessels.^{3†}

SUGGESTED USE

Pycnogenol® 50 mg

As a dietary supplement, take 1 capsule, 1-3 times daily, between meals.

Pycnogenol® 100 mg

As a dietary supplement, take 1 capsule, 1-2 times daily, with or between meals.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Pycnogenol® extract is derived from maritime pine bark and contains a minimum of 65-75% proanthocyanidins by weight
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil
- Hypo-allergenic plant fiber is derived from pine cellulose

NOTES

Pycnogenol® 50 mg

Size 3 caps

Bottle count 60, 120

Order codes PY56, PY51

Bottle size 75 cc, 120 cc

Pycnogenol® 100 mg

Size 3 caps

Bottle count 30, 60

Order codes PY13, PY16

Bottle size 75 cc
