

Vitamin C Gummy

Antioxidant, immune, and vascular support[‡]

INDICATIONS

- Ages 3 and up
- Offer broad physiological support, including antioxidant, immune, and vascular support[‡]

BENEFITS

- Offers broad physiological support, including antioxidant, immune, and vascular function[‡]

FEATURES

- Great-tasting natural sour-orange flavor
- Enhanced with organic berry/fruit blend
- Naturally flavored and lightly sweetened with prebiotic fiber isomalto-oligosaccharides, cane sugar, and stevia

VERIFIABLE SCIENCE

Vitamin C offers a wide range of support for the human body, including acting as one of the most potent dietary antioxidants and providing nutritional support to all physiological functions.¹ Vitamin C may provide protection from reactive oxygen species released as part of a normal immune response. It maintains healthy mast cell function and supports lymphocyte formation.²⁻⁴ It also supports the body's defense system by enhancing white blood cell function and activity, and increasing interferon levels, antibody responses, and secretion of thymic hormones.^{5-7‡}

SUGGESTED USE

As a dietary supplement, ages 3 take 2 gummies once daily. Ages 4 and up take 2 gummies, 1-2 times daily, with meals.

STORAGE

Store in a cool, dry place.
